FEATURES AND HIGHLIGHTS

Auto-Retract Metti™ MD Safety Knife is a metal detectable, slim, highly durable, and versatile safety knife with automatic blade retraction, equipped with 2 locked cutting depth options for added safety and controlled cutting in medical or food processing environments.

- Metal detectable ideal for highly sensitive, food processing, and medical lab environments.
- Rust-resistant, durable stainless steel blade for long lasting use.
- Slim and elegant, heavy-duty metal handle.
- 2 locked cutting depth options of 0.74"/19mm and 0.2"/5mm for controlled, safe cutting and to help prevent merchandise damage when opening boxes.
- Integrated Safety Lock prevents accidental blade exposure when not in use.
- Automatic blade retraction for added safety.
- Textured and ergonomic slider for smooth and consistent blade activation.
- Easy 2-step, tool-free blade change.
- Lanyard ready.
- Ambidextrous.
- Pre-loaded with one B1118-9 replacement Heavy-Duty Utility Blade Round Tip.

WHY PHC?

We believe in making safety cutting tools for every body. For over 70 years, Pacific Handy Cutter has thoughtfully engineered accessible safety cutting solutions for a variety of users, cutting applications and work environments. Our Safety Knives are the preferred cutting tool among grocery, retail and industrial businesses due to their ability to improve worker productivity while reducing the costs associated with accidental injuries, worker compensation claims and damaged merchandise.
